All juniors including juniors racing in category are required to roll out before the start of the road race. There will be no roll out after the finish.

The starters warned several riders about poorly placed or folded numbers. Please make sure these are corrected. Race numbers may not be folded, cut or altered (Rule 1J7b).

Keep up the good work - no race numbers were observed to be obscured by hair or, other accessories.

First wave road races will be restricted to the right side of the road until the feed zone on the final lap. Riders in contention can use the full road width in a safe manner. Riders out of contention for the sprint finish must stay to the right.

Second wave road races will have full road use from the feed zone start to the finish line on all KOM/QOM and finishes. Riders out of contention for points or the finish must stay right.
